**PREVLEKA: cover vs. covering vs. coating**

https://wikidiff.com/cover/covering

As nouns the difference between **cover** and **covering** is that

**cover** is a lid *(pokrov),* a front and back of a book *(platnica)* or *a top sheet of a bed (prevleka)* while

**covering** is (countable) that which covers something.

https://wikidiff.com/coating/covering

**Coating** is a thin outer layer.
